Do Business. Better.

Privilege Plan

Offered exclusively to members of a participating Chamber of Commerce or Business Association, the **Privilege Plan** give eligible Télébec's business customers an **improved basic discount**.

- A 65% discount applies right from the first minute of long-distance calling.
- Calls received on toll-free numbers (800, 888, 877, 866 and 855) are counted along with regular long-distance calls to determine the volume discount.
- This discount further reduces an already competitive and uncomplicated basic billing rate.

Loyalty Discount

Business Customers who belong to a participating group or association and request the **Privilege** savings plan for a 1- to 5-year term may enjoy an added individual discount of **up to 21%**.

Description

The **Privilege Plan** is easy to use and cost-effective!

- The main terms of the plan are simple and competitive. Discounts of up to **86%** are applied to business rates that are very attractive to begin with.
- No minimum and no contract required to qualify for a valuable volume discount that begins with the first minute of long-distance calling.
- Simple and competitive per-minute rates:
 - A single rate for long-distance calls within Quebec;
 - A single rate for long-distance calls elsewhere in Canada;
 - A single rate for long-distance calls to the USA;
 - A single rate for local calls received at a toll-free number (800, 888, 877, 866 and 855).
