Business Development Officer

In accordance with the Chamber's Strategic Plan, and in response to members wishes in having a more publicly visible Chamber, your Board of Directors has retained Nancy Pirie of Bristol as its Business Development Officer.

Nancy, with her family farm business background and work in other non-profit organizations, has a very good understanding of the array of complexities that confront Pontiac businesses and society. Nancy's main role will be to promote the Chamber through activities and events.

The board wishes Nancy well in her new task, and also ask our members to support the upcoming events planned which aid in developing the Chamber.

Young Entrepreneur of the Year Award

The SADC selected two award winners for the Young Entrepreneur of the Year Award. The award recognizes young entrepreneurs who excel in their professional life by using their creativity. Each winner received \$1,000 from the SADC for professional communication and marketing services. The Pontiac Chamber of Commerce provided a free membership to both winners.

The Chamber would like to congratulate Green Force Initiative and Pure Life Adventures on winning the award.

Télébec Business Benefit Explained

Offered exclusively to chamber members serviced by Télébec, the Privilege Plan gives business customers with a Centrex package an improved long distance discount. A base discount of 65% on long distance – up to 86% depending on usage.

Loyalty Discount: If you sign a 1-5 year contact, additional discounts for long distance can add up to an additional 21%.

There are additional benefits if you have an internet service or mobility (cell phone) attached to the business account.

Example of difference between a residential line and a business line:

- Residential line basic cost: \$31.63 plus network charge, 911 fee, Touch-Tone service and taxes: \$47.53
Additional services will add charges. Discount for evening or weekend long distance calls applies to residential lines.
- Business line (Centrex) basic cost: \$60.25 plus network charge, 911 fee and taxes: \$74.41
Additional services will add charges.
Savings of up to 85% on long distance with the Privilege Plan through the chamber of commerce. Add the Loyalty Discount and the savings will be more!

Check the chamber web site for more details. Contact a Télébec advisor at 1-888-835-3232 to find out more details on savings rates. It is the responsibility of the chamber member to contact Télébec. They will confirm membership in the chamber.

If you have any questions on this program, please contact the chamber.

Testimonial

We have been a chamber member since May 2008 and signed up to the Télébec Privilege Plan in July 2008.

In 2008 we saved over \$275 on long distance, in 2009 over \$420 and so far in 2010 over \$340 in savings. We have just signed up for the Loyalty Discount so expect more savings in the coming months.

We do not make many long distance calls, only about 20 calls per month.

The savings on long distance rates more than covers the extra cost of the business line compared to a residential line. Benefits of a business line include exposure of the business name and a listing in the phone directory.

The Télébec discount benefit alone has more than paid for our membership to the chamber.

Resources

For business owners looking to attract and retain top talent, providing group insurance has become a critical business investment. A survey of Canadians, done by Benecaid in November 2009, revealed that 90% say the availability of an employee health benefits plan plays a role in their decision to accept a job.
