

Advertising with the Online Business Directory

All businesses try to find the best, most cost effective way to advertise their products and services to the public or other business owners. The Pontiac Business Directory is one way to do this. All Chamber members are listed in the online directory. The directory ranks very high on search engines when anyone is looking for products and services in the Pontiac region.

As part of your Chamber membership you can promote your business through a banner ad, which is displayed on a rotating basis every time someone visits the directory looking for information. There are statistics available for the number of times these ads are displayed and, as an example, the banner ad for Pure Life Adventures has been displayed over 21,000 times for visitors to the site to see. **This is powerful advertising exposure for a business.**

If, from time to time, you would like to advertise offers which you would like to provide to other businesses or to the general public, there is a spot for that as well.

This directory was created to be updated by the businesses themselves so new information can be added to your listings at any time as your business changes and you offer new products or services.

If you would like information about the directory, please contact lynda@freshimage.ca. The online Help File is there to step you through the process. If you have not already claimed your business' listing, we can step you through the process.

Thank You Nancy!

We would like to acknowledge the assistance of Nancy Pirie, the Chamber’s Business Development Officer, in promoting the Chamber over the past few months.

Nancy was contracted in September, 2010 to help with Chamber organization and promotion. Her assistance in organizing general meetings, the first annual Chamber Holiday Party and the Job Fair was very appreciated.

As of April, Nancy resigned from her position with the Chamber to take up a position as Program Manager with the Farm Business Management Council in Ottawa. It is a perfect job for her present interests.

Nancy has offered to stay involved with the Chamber through assisting in organizing Chamber events.
