### Birth of a New Tradition – Shop the Pontiac!

As the holidays approach, it is time to think about shopping locally in the Pontiac. This year give the gift of genuine concern for other Canadians, especially those in the Pontiac. There is no longer an excuse that, at gift giving time, nothing can be found that comes from the Pontiac. **Yes there is!** It's time to think outside the box. Who says a gift needs to fit in a box?

Everyone gets their hair cut. How about gift certificates from your local hair salon or barber? Gym membership or health services? It's appropriate for all ages who are thinking about health improvement.

There are many other ideas – perhaps your grateful gift receiver would like their driveway sealed, lawn mowed for the summer or driveway ploughed all winter. Many people could use an oil change for their car, truck or motorcycle. Maybe they are thinking of converting to solar or wind power – we have a supplier in the Pontiac!

The Pontiac has many tourist attractions which us Pontiacers have not had a chance to check out. Give someone a gift certificate for a dogsled ride, rafting trip, zipline adventure, games at a Pontiac golf course and many other ideas to support our local tourist businesses.

Everyone loves a nice meal out – there are many owner-run restaurants in the Pontiac – all

offering gift certificates.

Thinking about a heartfelt gift for mom? Mom would LOVE the services of a local cleaning person for a day.

Maybe a friend or family member could use a tune-up for their computer. Or they might be planning a renovation so a gift certificate from a local building supply business would be very appreciated.

If you are looking for something personal – there are many artisans in the Pontiac. Wonderful one-of-a-kind gifts for someone special. The many local crafts people knit, make jewelry, pottery, photography, painting and many other creative items.

**Remember folks, this is about supporting your local business people with their financial lives on the line to keep their doors open.**

And shopping locally is less stressful – avoiding the packed parking lots, crowded malls and long lineups at the checkout. You will meet neighbours who are out shopping, have a chance for a chat and maybe share a cup of coffee together.

Christmas is about caring for us, encouraging Canadian small businesses to keep plugging away to follow their dreams. And, when we care about Pontiac businesses, we care about our communities, and the benefits come back to us in ways we couldn't imagine.
