First retail outlet opens in the Pontiac MRC

Télébec establishes its presence in Campbell's Bay

Télébec, a division of Bell Aliant, is pleased to announce the opening of a retail location in the municipality of Campbell's Bay, in the Outaouais region. It has been made possible thanks to a partnership with Jericom, a company specializing in electronic products and computer services.

"This agreement with the owner Jean-Claude Rivest, allows us to establish an even closer proximity to our current and future clients by offering them a wide and complete variety of Télébec's products and services: home telephone, mobility, Internet, as well as Bell TV products", said Marie-Claude Hébert, senior director of distribution, Quebec and Ontario at Bell Aliant.

The new retail outlet is located at 337 Route 148 in Campbell's Bay. It is the 44th member store in the network of agents spread out across the territory served by Télébec. This represents the first agency authorized by Télébec in the Outaouais region.

Télébec Long Distance Discount

Offered exclusively to members, the Privilege Plan give Télébec Centrex business customers an improved basic long distance discount. An additional Loyalty Discount is also available. Refer to the Chamber web site for more details.

To apply: It is the responsibility of the Chamber member to contact a Télébec telecommunications advisor to find out what saving rates you can obtain. The Chamber provides an updated membership list to Télébec.
