Sign up a Non-Member to the Pontiac Chamber of Commerce Chamber – and receive a benefit for yourself!

We all know of other Pontiac businesses who could benefit from being a Chamber member. The Chamber feels the best person to contact these businesses to encourage them to join the Chamber would be another Chamber member. You know the benefits – both to your own business and to business in the Pontiac.

As a thank you, if you refer a non-member to the Pontiac Chamber of Commerce and they join for the current membership year, you will receive a \$25 refund towards your own membership renewal with the Chamber the following year!

The referral does not apply to existing Chamber members or those who have previously been members. The maximum for refunds will be 5 referrals per member for each membership year. Just make sure to mark your own name and business at the bottom of their membership form.

First Date Benefit Update

In partnership with First Data, we are pleased to announce that First Data has updated (reduced) their rates to reflect the success that the Canadian government had in negotiating new rates with Visa and MasterCard.

First Data has also developed a new marketing kit which includes collateral and social media information so that you can help spread the word about these positive changes to the First Data program. A new flyer has been developed for your use. Please update your websites and sales kits with this immediately. The password to access the marketing kit is: canada

In addition to the new rate reduction, it should also be highlighted that: in an unprecedented move, any member wanting to move to the new First Data Chamber Merchant Services program and whose provider has not passed on these savings can cancel their contract with no penalty for a 90 day period after April 2015. Existing members on the First Data program may call First Data's customer support team at 1-888-263-1938 to inquire about their rate changes.

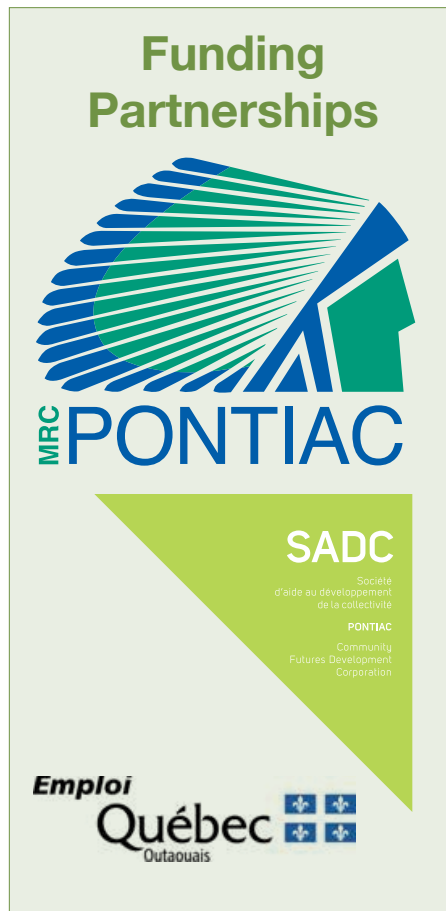

As there is a bit of urgency behind this offer (due to the 90 days as noted above), please pass this along to any business you feel may benefit from this information.
