Three ways to promote your business through the Pontiac Chamber of Commerce

Business to Business Discounts

The purpose of this program is to encourage businesses to shop locally. Shopping locally promotes employment in the Pontiac region and helps with the advancement of our local business community. It is an excellent opportunity for you to grow your business as others learn more about your business by taking advantage of the discounts offered.

Discounts can be introductory offers, percentage discounts or upgrades on services and/or products. The more Chamber businesses who sign up to the program, the more benefits all Chamber member businesses will receive by shopping locally. Think about how your business could offer a discount to other Pontiac businesses.

Member Business Profiles on the Chamber Website

The Chamber would like to spotlight your business on the web site. If you would like to have the 'spotlight' on your business, please send a write-up of 250 to 500 words with a photo of you and/or your business.

You can submit it in either English or French, we will provide the translation required.

The chamber would like to have a different member business profiled each month. **We need your assistance to complete this goal.**

Send your profile to info@pontiacchamberofcommerce.ca

Advertising in the Online Business Directory

Businesses try to find the best, most cost effective way to advertise their products and services to the public or other business owners. The Pontiac Business Directory is one way to do this.

This directory was created to be updated by the businesses themselves so new information can be added to your listings at any time as your business changes and you offer new products or services.

If you would like information about the directory, please contact lynda@freshimage.ca. The online Help File is there to step you through the process. If you have not already claimed your business' listing, we can step you through the process.

**Visit the directory at:
